

Award-Winning Fibre and Phone Packages

Reliable, affordable and award-winning Fibre Optic Broadband and Phone Packages

Overview

For the highest quality connectivity, Zen Internet is the smart choice with fast, reliable and affordable Fibre Optic Broadband, with download speeds of “up to 76Mbps” and upload speeds of “up to 19Mbps”. Anything is possible with a fast and stable connection for all your devices and the freedom to make the most of any online content you choose from movies to music.

Free from interruption and limits

We accelerate the Internet around your home and give you the freedom to enjoy uncapped, uninterrupted and unrestricted Broadband that's truly unlimited and makes it possible for everyone in your home to stay connected at the same time.

Free from rising costs and unnecessary extras

We offer straight-forward contracts that give you the freedom to use the Internet however you wish. There's no need to buy home entertainment packages or commit to long contracts, just enjoy our fast Broadband connection for all your devices and the freedom to make the most of any online content you choose. Plus our phone services offer some of the best call rates, with per second billing and no call connection fees.
